

BANYAN TREE VABBINFARU

Rush hour in the Maldives

Vabbinfaru Island

Moored above miles of marine seabed,
Banyan Tree Vabbinfaru is a reflection of
paradise deep in the Indian Ocean.

A champion of environment preservation, the
Banyan Tree Marine Lab preserves our living
coral reef and marine life.

Open your eyes to our oceanic heritage and
embrace the spectacle of underwater wonder.

Oceanview Pool Villa

Spend the day trailing between sun, sand, sea and sala.

The magnificent Indian Ocean is right at your doorstep interrupted only by the powdery white sands.

Surrounded by turquoise waters, the island of Vabbinfaru has 48 pool villas sprinkled across the lush green garden of coconut trees and indigenous blooms.

Beachfront Pool Villa

The villa is an intimate enclave of tropical living.

The nautilus shell-inspired ceiling and framed glass doors create a cocoon of relaxation and spaciousness.

With its signature teakwood four- poster bed, an outdoor pool and jetpool in a private landscaped garden, living with nature becomes a breeze.

Banyan Velaa

Sunrise, sunset.

Unwind with the perfect cocktail accompanied by the vivid changing colours of the lagoon.

Discover the Maldives' diverse marine life: Be it on a nautical cruise and island-hopping, while snorkeling or diving, or simply watching turtles and stingrays being fed in the evenings.

Sunset Jetty

Relax, read a book in the comfort of your villa and enjoy the natural surroundings around you or venture beyond with our range of activities, be it culinary demonstrations by sous chefs, stargazing or water sports.

Wedding at Sunset

Tie the knot with your beloved on a secluded sandbank surrounded by turquoise waters under the clear Maldivian sky, with nothing between the two of you except for the gentle ocean breeze. Imagine your future ahead as you gaze into the expansive horizon of the Indian Ocean.

Adventurous couples can opt for an underwater celebration to seal their union surrounded by the vibrant marine life for which the Maldives is renowned.

Sandbank Dining

Indulge your taste buds with all the wonders that the Indian Ocean can offer.

Escape to a world of your own with the Sandbank Dining experience. Surrounded by only clear blue waters on a secluded sandbank, savour this private moment and gourmet feast as the sun sets to unveil the starry night sky.

Rainmist Experience at Banyan Tree Spa

The spray of tropical rain, the zest of lime, the mask of honey. A rhapsody of four hands working a gentle rhythm on tired bodies. Only Banyan Tree Spa therapists combine an Asian heritage with outdoor splendours.

Banyan Tree Gallery

Relax. Indulge. Rejuvenate.

Feel a sense of place, a touch of tradition and the sweet scent of romance.

Embrace the environment and support indigenous artistry – from the women of the Mooser hilltribes in Thailand, to the green sea turtles of the Maldivian waters.

Steeped in a harmonious fusion of Asian culture, sensory therapy and green awareness, step into Banyan Tree Gallery, where shopping is an experience like no other.
